Ramasandra so that tolls will have to be levied on either side of Ramasandra across the railway line.

The President proposes to levy tolls on Carts alone at 2as per laden Cart and 1 anna if unladen but the District Board in their resolution have not considered on what traffic and at what rate the toll is to be levied further it is a question as to whether tolls will be levied ~~only~~ on carts alone irrespective if the number of bulls which draw them, or on other items also specified in the Schedule attached to the Chief Commissioner's notification published at page 11 of the L.B. Rules.

The levy of tolls are ~~generally~~ governed by the rules published with Chief Commrs Notification no 274 dated 24th Nov 1876

The places where the toll gates are to be located have not been specified ~~Draft~~. The rates proposed are half of the ~~rates~~ maximum rates prescribed in the Schedule referred to above.

Please see para 2 of DCS letter no 456 of 3rd March 08. He wants to levy a toll both ways. ie - to charge a toll on carts going into the Railway station and another toll on those returning from it. This in amounts to a double toll and is objectionable. A single toll is all that can be levied. Please resubmit the file to the 1st Counsellor
